Spec Sheet

10 ft Black Flat Molded RJ45 UTP Cat 5e Patch Cable - 10ft Patch Cord

StarTech ID: FLAT45BK10

This compactly designed flat Cat5e cable offers the same performance of our regular Cat5 cables, and is specifically suited for installing in tight spaces.

This 10ft (flat) Cat5 UTP patch cable is constructed of only the highest quality materials, and is backed by our lifetime warranty.

Applications

- Connects workstation to wall outlet
- Patches from hub to distribution panel

Features

- Thin, flat construction for increased flexibility
- StarTech Category 5e Patch cables are constructed with top quality components
- The Strain relief prevents the cable from being bent at sharp angles at the connector to minimize the stress at the plug termination point
- StarTech Category 5e patch cables are carefully constructed and tested, to keep the Near End Crosstalk (NEXT) well within acceptable limits
